**BOARD COMMENTS**

Dwayne Murray – None

Amanda Glugover - None

John Huger – Mr. Huger is questioning the effectiveness of this board. Are we really making a difference? Is this board really making a difference? What can we do to make a difference? Carol created a mission statement. At this point, we have not been effective. She has had conversations with the City Attorney and City Manager. They we unsure of the purpose of this board. Carol is will to give this board one more year to see how we can make an effect. We could have more open discussions with the commissioner as there are so new commissioner. It was a great disappointment to learn that the golf course and tennis center were not a part of this board.

Amanda agreed that this year we are trying to find our footing. We need to advocate more. It is up to us to bring this info to the public. There are some things that we have been able to do to help.

**STAFF COMMENTS**

The Music Studio Re-Grand Opening was a great success. We hope that with this studio receiving more visibility, more revenue will be generated.

The aquatic center has revised/extended the winter pool hours. Santa Claus stopped by the pool and even swam with the kids.

Basketball has started and the first games will be played next week. We have approximately 225 kids signed up playing basketball.

Helen Riger is in the process of the NAIA games at the Municipal Stadium.
