## Make a difference on an Advisory Board

Citizen advisory boards play an important role in shaping a community and active residents are a key component of healthy, prosperous neighborhoods. More than 150 community leaders serve on the city's 21 different advisory boards. They provide guidance, expertise and recommendations, from a citizen's perspective to the City Commission on important issues and projects in Daytona Beach. We are looking for additional volunteers to serve on the following boards:

- **Beachside Redevelopment Board**
- **Board of Adjustment**
- **Board of Building Codes**
- **Downtown Redevelopment Board**
- **Nuisance Abatement Board**

Local government works best when residents take an active role in their community. Please consider applying for a seat on one of our boards! For more information, call Bettye Goodman at (386) 671-8203 or visit [www.codb.us/AdvisoryBoards](http://www.codb.us/AdvisoryBoards).
