

Northern side of Riverfront Esplanade to open

The northern section of the transformed Riverfront Esplanade will open in June. Residents will be able to enjoy a dog park, cushioned running trail, event lawn with large oak trees and beautiful fountains as well as swings for adults and children and benches with riverfront views. The Esplanade will be open daily from sunrise to sunset. Visit www.RiverfrontEsplanade.com for more information.

Veterans Museum & Education Center opens

Join in a celebration at 9 a.m. Saturday, June 4, as the Veterans Museum and Education Center opens at its new location at 302 Vermont Ave. The renovated facility is filled with historical and educational pieces, which tell the story and honor our U.S. Armed Forces. Parking is available across the street from the Center, which is on the corner of Peninsula Drive and Vermont Avenue. For more information, call (386) 256-7909 or visit www.VMAEC.org.

Spring youth gymnastics sessions

Daytona Beach Gymnastics offers sessions for boys and girls of all ages (preschool to teens). Participants will learn proper technique, teamwork and basic fundamentals of gymnastics in a fun, energetic environment. Classes are offered at Schnebly Recreation Center at 1101 N. Atlantic Ave. For more information, visit www.CODB.us/Gymnastics.

Stay cool at a city pool

With temps rising, it's time to enjoy the pool! The Cypress Aquatic Center at 981 George W. Engram Blvd., has open swim from noon to 7 p.m. Monday through Saturday. Admission is \$3 for adults and \$2 for youth up to age 17. Swim lessons are offered on an ongoing basis. For more information, visit www.CODB.us/Pool.

**The Campbell Aquatic Center at 400 S. Dr. Martin Luther King Jr. Blvd. is closed while improvements are being made. An announcement when the pool opens will be posted at www.CODB.us.*

Youth football camp June 17

Bruce McNorton, former NFL star and current scout for the Pittsburgh Steelers, is conducting a FREE football clinic for boys and girls, ages 6 to 18, from 5 to 7:30 p.m. Friday, June 17, at the Derbyshire Park & Sports Complex at 849 Derbyshire Road. This hands-on clinic is an annual offering by McNorton, a Daytona Beach native who still resides in the city. There will be onsite registration starting at 5 p.m. the day of the clinic. For more information, call (386) 453-0317 or email BethuneCharles@codb.us.

Police Department offers Vacation Home Checks

Residents who will be away for an extended period of time, can request a free vacation home check from the Police Department. When available, an officer will periodically check the home and contact you in case of an emergency. While the checks do not guarantee a burglary or other crime won't take place, they can provide residents with additional peace of mind on vacation. To request a vacation home check, call (386) 671-5364.

Report clogged stormwater drains

Residents may notice water ponding in roadways on afternoons when there are thunderstorms. Please keep all stormwater run-off areas around your home, including roadway gutters, free and clear of debris and obstructions.

If residents see anyone dumping illegal contents into stormwater drains or notice flooding as a result of a potentially clogged drain, notify the city's 24-hour dispatch center at (386) 671-8815 or report it online at www.CODB.us, click on "How do I?" "Report" and then "Drainage Problems."

Daytona Beach Radio

Get the latest city news on Daytona Beach Radio. Hosted by Dr. L. Ronald Durham, this one-hour, talk-radio show airs from noon to 1 p.m. each Wednesday. Programming features timely and interesting discussions about projects and initiatives happening in our local community. Listeners can tune in at 106.3 on the FM radio dial, online from JOY106.3's website or by using the TuneIn Radio app on smartphones and tablets. The program is also broadcast on the city's Facebook page.

Help keep
Daytona Beach bright!

Report
Streetlight Outages

Help keep Daytona Beach bright

The city has a team of four people from the traffic division who visually inspect lighting systems twice a month between the hours of 4 and 7 a.m. There are more than 7,000 streetlights in the city, and residents are encouraged to report lighting concerns. If you see a streetlight that's not working or flickering, call (386) 671-8659.
