

City continues to improve neighborhood streets

In this fiscal year, nearly 50 lane miles have been milled, resurfaced and striped. The latest area being improved includes neighborhood streets within the blocks of Plaza Boulevard to Euclid Avenue between Halifax Avenue and Atlantic Avenue. For more information on the current roadways being improved and how roads are selected, visit www.CODB.us/RoadRepaving.

Public Arts Advisory Board

Join new Public Arts Advisory Board

The city is looking for qualified volunteers to serve on its newly established Public Arts Advisory Board. The board will make recommendations to the City Commission regarding the creation and implementation of policies to promote public art in the city. Interested board members should live, work or own property or a business in Daytona Beach and at least four members must be a professional artist, architect, landscape architect, urban planner, engineer or have advanced training/education in the arts. The city is also looking for residents to serve on other advisory boards. For a complete list and application, visit www.CODB.us/AdvisoryBoards.

Water refill stations at city facilities

Water bottle refill stations have been added to some of the city's old-fashioned drinking fountains in an effort to reduce plastic waste. The stations allow hands-free filling of bottles and include a tracker that counts the number of plastic bottles diverted from landfills. Residents can find the filling stations at these locations:

- **City Hall**
301 S. Ridgewood Ave.
- **City Island Park**
113 Jackie Robinson Parkway
- **Schnebly Recreation Center**
1101 N. Atlantic Ave.
** To be installed*
- **Public Works facility**
950 Bellevue Ave.*
- **Derbyshire Park**
849 Derbyshire Road
- **Midtown Community Center**
925 George W. Engram Blvd.*
- **Campbell Aquatic Center**
400 S. Dr. MLK Blvd.*
