

On The Move With Parks & Rec

Feb. 1, 2023

Hit a homerun this spring

The City of Daytona Beach is offering free baseball clinics for youth ages 4 to 12 at the Derbyshire Park & Sports Complex, 849 Derbyshire Road. Athletes will learn baseball skills including hitting, catching, throwing and pitching. Clinics will be from 5:30 to 7:30 p.m. starting Tuesday, Feb. 21, through Wednesday, March 15.

The city will begin its youth baseball league in April. Teams will be selected at 5:30 p.m. Thursday, March 30, at Derbyshire Park & Sports Complex. Registration for the league is \$40.

To register for the youth baseball clinics and league, visit www.CODB.us/Activities.

Schnebly basketball courts resurfaced

Resurfacing of Schnebly's two regulation-sized, outdoor basketball courts is underway. The \$125,000 project will replace the asphalt surface, four basketball poles and hoops and fencing around the courts.

While being renovated, residents can use the basketball courts at these other city parks:

- Derbyshire Park, 849 Derbyshire Road
- Henry Lee Park, 701 Bellevue Ave.
- Joe Harris Park, 315 Pearl St.
- Cherry Center, 925 George W. Engram Blvd.
- Lenox Park, 825 S. Grandview Ave.
- Shangri-La Mini Park, 1647 W. Paradise Lane
- Suburbia Playground, 700 Heineman St.
- Sunnyland Park, 825 Washington St.

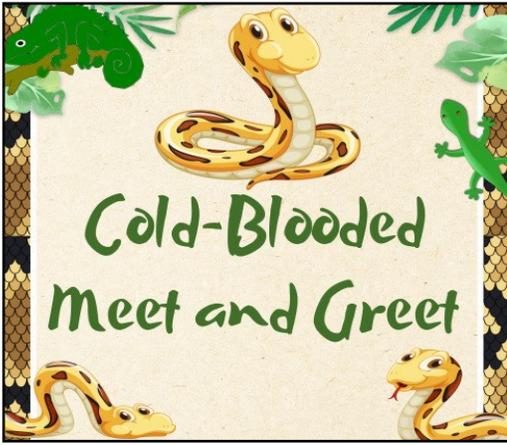

Register for Easter Beach Run, April 8

Registration is open for this year's annual Easter Beach Run, which is Saturday, April 8. Participants of all ages and fitness levels can enjoy a scenic view while traveling out and back for the 2-mile or 4-mile run/walk. Kids can participate in the 1/4-mile race, 50- and 100-yard dashes.

New this year, the races will start on the beach behind Breakers Oceanfront Park at 13 S. Atlantic Ave. Kids' races start at 3:30 p.m. and the 2-mile/4-mile run/walk starts at 4 p.m.

The Easter Beach Run is professionally chip-timed and limited to 750 participants (for all races). For more information and to register, visit www.CODB.us/EasterBeachRun.

Breakers Environmental Centers hosts wildlife experts for free presentation

Residents will have the opportunity to meet some of Florida's scaly friends at 9:30 a.m. Wednesday, March 1, at the Breakers Environmental Learning Center, 13 S. Atlantic Ave. Guests can expect an up-close visit from cold-blooded reptiles and learn about how they live and eat during a free presentation from wildlife removal specialists Jean-Noel and Ashely Vallejo.

Attendees can register at www.CODB.us/Activities. For more information, call (386) 671-8250 or (386) 671-3566.

Sunnyland Park and Recreation Center improvements

To enhance the quality of life for residents, Sunnyland Park and Recreation Center recently had improvements made to its parking lot, softball field and recreation center.

Improvements included:

- New parking lot
- New landscaping
- Two new pavilions
- Upgraded sidewalks
- New exterior barbecue grills
- New restrooms

Renovations to the dugouts and new playground equipment are scheduled for this summer. Residents can enjoy basketball, volleyball, playground, picnic tables, pavilions, softball field and fitness trail at their own leisure. The recreation center is closed until further notice; however, the outdoor amenities are open from sunrise to sunset. Sunnyland Park and Recreation Center is at 825 Washington St. off of Mason Avenue.

Marine Science Center provides presentation about sea life

Residents enjoyed a free presentation this week at Breakers Environmental Center. Shell Webster from the Marine Science Center educated participants about Florida's waterways and its marine life. Participants learned about the importance of marine life in Florida including:

- Water conservation
- Sea turtle behavior patterns
- How marine life impacts human life
- What humans can do to protect the oceans
- Different shark breeds and survival instincts
