Tee up for the Mayor's Golf Tourney

The Mayor's Charity Golf Tournament is set for Wednesday, April 15, with proceeds to benefit the Halifax Health Foundation and Dolly Parton's Imagination Library program. This will be the 44th year that Daytona Beach's mayor has hosted a charity golf tournament at the city-owned Daytona Beach Golf Club on Wilder Boulevard. Donations will be used for Halifax Health Foundation to purchase new, life-saving technology and for Dolly Parton's Imagination Library program, which is a national initiative that provides age-appropriate books at no cost to registered children from birth to their fifth birthday. All children living in the 32114 zip code are eligible for the program and can receive a free book each month. For more information on the golf tournament, to register or become a sponsor, please call Brian Jaquet, Director of the Golf Club, at (386) 671-3502.
