The City of Daytona Beach has a mandatory spay and neuter ordinance, which requires all dogs and cats six months and older to be spayed or neutered.

The Redinger Clinic is a state-of-the-art spay/neuter clinic owned and operated by Halifax Humane Society that provides low-cost services. The Redinger Clinic is at 600 Mason Avenue, Suite 150. For more information, call (386) 310-4935.
