“Our Stories” Book Launch

As part of the Mayor's Literacy Initiative, a book launch last month recognized young authors and artists from the Schnebly Recreation Center after-school program. They participated in a creative writing project that began in April when they wrote stories and poems and created artwork for a soft-cover book that was published. The book launch for “Our Stories” celebrated the young authors and artists, and they were recognized by Mayor Derrick L. Henry. Every student received a copy of the book and enjoyed providing autographs at the celebration.
