

ON THE *MOVE* WITH PARKS & RECREATION

VISIT OUR PARKS

Daytona Beach is home to a variety of parks that offer something for everyone! Whether you're looking to enjoy a quiet afternoon in nature, gather with friends and family, or stay active, our parks provide the place.

Families can enjoy playgrounds, splash pads and open green spaces for kids to play, while athletes have access to basketball courts, baseball fields, softball fields and multipurpose recreation areas. Outdoor lovers can explore walking trails, fishing piers and scenic spots along the Halifax River.

GET INVOLVED

Residents are encouraged to get involved and share their ideas for improving local parks and programs by attending the Parks & Recreation Advisory Board's monthly meetings. The board meets on the second Thursday of each month at 9 a.m., with meeting locations rotating among the city's community centers.

This approach allows residents from all areas of Daytona Beach to take part and stay informed about projects and initiatives that enhance recreation opportunities throughout the community. Meetings are open to the public, and residents are welcome to attend, listen to updates and provide input.
