Which Committee would you like to serve on?

Businesses

This subcommittee will encourage businesses to distribute and post census information by sponsoring informative events for their employees.

Colleges and Universities

This subcommittee will work with colleges and universities by developing promotional materials and distributing information about the upcoming census on campuses.

Community/Social Organizations

This subcommittee will work with community and social organizations to inform their members about the importance of participation and the benefits derived from census data.

Education

This subcommittee will create activities in the school system encouraging families to complete the census.

Faith-Based Organizations

This subcommittee will reach out to religious groups in developing information and/or activities for their congregations.

Housing

This subcommittee will encourage housing managers (mobile home parks, apartment complexes, HOAs, etc.) to remind their residents to complete the census forms.

Millennial Outreach

This subcommittee will reach out to millennials encouraging them to complete the census form.

Once completed, please save your form and send as an email attachment to Assistant City Manager Betty Goodman at GoodmanBetty@codb.us. If you have any questions, please call (386) 671-8203.
