

DAYTONA BEACH FIRE DEPARTMENT

PARAMEDIC REQUIREMENT

Individuals hired by the Daytona Beach Fire Department (hereinafter referred to as “the Department”) shall be enrolled in a paramedic program within fifteen (15) months of hire date. They must meet all of such programs’ requirements for the duration of enrollment. They must successfully complete all State of Florida and local requirements to become a licensed and Volusia County Medical Direction cleared paramedic within three (3) years from the date of hire and serve as a paramedic for the Department. The maintenance of paramedic licensure and clearance is a condition of continued employment with the Department (i.e. those individuals must maintain paramedic licensure and clearance for their entire career).

Individuals not meeting the requirements described about may be separated from employment with the Department. It is the sole discretion of the Fire Chief to extend to the deadlines of this requirement on a case-by-case basis and/or operational need.
