Mission Statement

The mission of the Daytona Beach Police Department is to achieve a safe, crime free community by committing ourselves to protecting, defending and serving the residents and the visitors of Daytona Beach. Through a partnership with residents and businesses, we will maintain an open and honest dialogue and will endeavor to enforce the law fairly and equally. As proud members of the law enforcement profession, we will constantly strive to conduct ourselves in a manner worthy of respect while “Protecting Our Great City.”

Office of Professional Standards

Purpose

The Office of Professional Standards (OPS) is charged with preserving the integrity of the Daytona Beach Police Department (DBPD). Organizationally, OPS is part of the Office of the Chief and serves at the discretion and authority of Chief Jakari E. Young.

Tasks

The detectives assigned to OPS carryout many functions that ensure DBPD operates as a professional and transparent law enforcement agency. One of the tasks undertaken is the monthly and yearly review and analysis of all uses of force occurring Department wide.

The Office of Professional Standards and the Training Division work together to identify training deficiencies to ensure proper early intervention and to also identify possibilities of excessive force. Together we also ensure that Departmental Standards Directives and State Law were followed. In instances where policies may not be followed in whole, training initiatives are instituted to get the officers back on track and in compliance with directives. The following attached documentation breaks down all types of force used in the year 2021 by officers of the Daytona Beach Police Department.
