THE CITY OF DAYTONA BEACH

STORMWATER MANAGEMENT RATES PER ORDINANCE 98 101-107

It is necessary to provide storm water drainage facilities throughout the city in order that the health, safety, and welfare of the city's inhabitants may be protected. It is the intent and purpose of this article to provide authority to levy fees against all owners, tenants, or occupants whose property impacts the storm management facilities or who enjoy benefits therefrom and provide the city with a rational means for imposition of such fees to be used for the construction of improvements and extension of the facilities, maintenance, and administration.
